RESPONSE TO DECISION ON THE PETITION

TO THE COMMISSIONER OF PATENTS:

REMARKS

Applicant hereby responds to the decision of dismissal of the Petition to Revive Due to Unavoidable Delay. The dismissal of the petition indicated that the application file at the Patent Office did not include an executed declaration. Applicant respectfully traverses this dismissal.

Applicant hereby submits a copy of the postcard that was mailed on September 4, 2001 with the response to Notice to File Missing Parts of Application. The postcard indicates that the response to Missing Parts included an oath or declaration. A copy of the oath or declaration that was filed with the postcard is included in this response. The Office of Initial Patent Examination (OIPE) stamped the postcard on September 10, 2001 indicating that they received all the contents of the package attached to the postcard. Therefore, Applicant submits that even though the file in the Patent Office does not include the oath or declaration, an oath or declaration was received by the United States Patent and Trademark Office and confirmed by OIPE.

Therefore, Applicant submits that a proper response was made to the response to File Missing Parts and therefore the application should be removed from abandonment and allowed to proceed through prosecution.
